GitHub LinkedIn Portfolio

OBJECTIVE

Computer Science (IoT) student at VIT with strong foundations in full-stack development, machine learning, and cloud technologies. Passionate about building practical software solutions and continuously learning modern technologies.

EDUCATION

Vellore Institute of Technology, Vellore

B.Tech in Computer Science and Engineering (IoT)

Expected Graduation: 2027

CGPA: 9.04

State Board of Tamil Nadu

Higher Secondary Education

2023

96%

TECHNICAL SKILLS

Languages Java, Python

Backend & Database Node.js, Express.js, Flask, REST APIs, MongoDB

AI/ML Scikit-learn, NumPy, Pandas

Tools Git, GitHub, Render

Coursework OOPS, DBMS, OS, Computer Networks

EXPERIENCE

Data Science using Python (Virtual Internship) — IamNeo

May 2025 – Jun 2025

Certificate

- Performed data preprocessing and exploratory data analysis using Python and Pandas.
- Built and evaluated machine learning models for classification tasks.
- Created visualizations using Matplotlib and Seaborn for data analysis.

PROJECTS

CourseHub – Full Stack Application

GitHub

Tech Stack: Node.js, Express.js, MongoDB

- Developed a course management portal with role-based access control for students and instructors.
- Implemented authentication using JWT and password hashing with bcrypt.
- Designed REST APIs for course enrollment and management features.

Cognitive Fatigue Detection System – AI/ML

GitHub

Tech Stack: Python, Flask, Scikit-learn, Random Forest, Render

- Developed a machine learning system to classify cognitive fatigue levels based on behavioral data.
- Performed data preprocessing, feature engineering, and model training using Random Forest.
- Built and deployed a Flask web application on Render for real-time prediction.

PhotoShare – Serverless Media Sharing Application

GitHub

Tech Stack: Azure Functions, Azure Blob Storage, JavaScript

- Developed a serverless application for uploading and sharing media files.
- Integrated Azure Blob Storage for secure file upload and retrieval.
- Used Azure Functions for backend operations and automated deployment workflows using GitHub Actions.

HONORS & CERTIFICATIONS

STARS Scholarship — VIT University Academic Excellence Award

Recipient of the merit-based STARS Scholarship with full tuition and hostel support; currently mentoring juniors under the initiative.

Responsive Web Design Certification — FreeCodeCamp

Certificate

Completed certification covering HTML5, CSS3, Flexbox, Grid, and responsive web design principles.

Languages: Kannada (Native), English (Professional), Tamil (Fluent), Telugu (Fluent)
